~~My dear~~
~~Bill~~

Dear Bill

Herewith a picture of your car
before the Nurburgring 500Kms in
1969, sent to me by Wolfgang.

Also shown is Gabrielle's Midget, with
G. herself back to camera - I think!

I bet not many Husbands and Wives have
competed in the same international race!

Thanks for your help with the MK I
models.

Look forward to seeing you

soon.

Bob
